

CREATIVE USES FOR BLU-TACK

1. Use a blob as a replacement for lost paint container caps.
2. Give restless kids a blob to play with, sort of like a stress ball.
3. Attach balloons to walls and ceilings with Blu-tack.
4. Stop the buzz of a vibrating speaker with a wad of Blu-tack.
5. Position a small ball of Blu-tack under a projector to level the projection.
6. Use to create figures for your Bible story. (It also works well to use the figures to create a stop motion clip.)
7. Hold paint pots in place to prevent kids tipping them.
8. Attach a blob to the whiteboard to hold markers.
9. Pick up spilled beads easily with a blob of Blu-tack.
10. Use a ball of Blu-tack to secure the 'Special seat' prize to the base of one of your kidmin chairs.
