INSTRUCTIONS

BUNTING:

Make multiple copies of page 1 and 2. Cut them out and punch 2 holes on each triangle as indicated on sheet. Thread yarn through the triangles to make bunting for Grandparents Day.

CUPCAKE TOPPERS:

Make copies of page 4. Cut out the circles. Attach a toothpick to the back of each and pop into the top of each cupcake.

CUPCAKE TRIM:

Cut out the semi-circular trims. Roll ends together to make cupcake trims. Pop a cupcake into each trim.

SIGNAGE:

Print a copy of page 3 and mount it onto a sheet of light card. Place a small artist easel with the sign on card in the centre of a tray. Add liquorice allsorts or M&Ms to the tray and use as a table centrepiece.

CORN CONES:

Print off copies of the rectangles and cut out. Fold around to make cylinders. Fill with popcorn or potato chips.
